

ADLER Legno-Holzbodenseife **7031000210**

Treating concentrate for oil-treated wooden floors and parquet in the interior for DIY and professional use

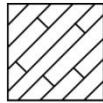

PRODUCT DESCRIPTION

General

Premium soap for regular cleaning and maintenance. The floor is cleaned, maintained and refined in one step. High cleaning power with a neutral pH-value. ADLER Legno-Holzbodenseife leaves a silk-matt protecting film. Antistatic.

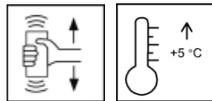

Application areas

Wooden floors and parquet treated with oil, wax and leach, as well as cork and laminate.

PROCESSING

Instructions for use

- Please shake the product before use.
- Do not apply if temperatures are below 5 °C or higher than 30 °C and/or relative humidity > 80%.
- Apply uniformly, but not too wet, with a mop or cloth.
- Do not wipe with water afterwards, as the protective film will be removed.
- **Warning:** In spite of the neutral pH-value (carry out preliminary tests) slight discolorations can occur, in case of wood rich in extractives, such as Oak.

Application technique

Application method	Wiping
Dilution (thinning)	Water
Mixing ratio water	Oiled floors: 1:100 Laminate: 1:300
Quantity to be added Product (ml) to water (l)	Oiled floors: approx. 8 – 10 ml Laminate: approx. 2.5 – 3 ml
Yield per application (m ² /l)	approx. 500

The shape, the properties and moisture of the substrate affect the consumption/yield.

Drying times

(at 23 °C and 50 % rel. humidity)

Drying

approx. 1 – 2 hours

The figures given above are reference values. The drying time depends on the type of substrate, coat thickness, temperature, air exchange and relative atmospheric humidity.

Lower temperatures and/or high level of atmospheric humidity can increase the drying time.

SUBSTRATE**Type of substrate**

Wooden floors and parquet treated with oil, wax and leach, as well as cork and laminate.

Preparation of the substrate

Dry cleaning with a broom or Hoover.

PRODUCT APPLICATION**Application of the product**

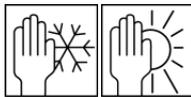

1-3 x ADLER Legno-Holzbodenseife Natural 7031000210

ORDERING INFORMATION**Size of trading unit**

1 l and 2.5 l

Colour / degree of gloss

ADLER Legno-Holzbodenseife Natural 7031000210

FURTHER DETAILS**Durability / storage**

At least 3 years in the original sealed containers.

Make sure the product is protected against moisture, direct sunlight, frost and high temperatures (above 30 °C).
